Subject: RAR (2) (2).doc

Here is the RAR with my changes. [REDACTED]

[REDACTED] Other than some possible nits and need to add some cites for the cases I mentioned in the analysis, I think the RAR is in good shape and ready to go. I think the effective date of revocation should be the year we are confident that [REDACTED] was engaged in the scholarship arrangement.

Thanks very much for your hard work on these RARs. If I can get the actual versions delivered to the client so that I can provide them to [REDACTED] I would appreciate it.

Thanks.
